

Titusville Home to Nature and Space.

Titusville has always been an eco-friendly town with many nature parks and a secluded beach. Known for its pristine natural and undeveloped coast which is surrounded by 57,000 acres of relatively undisturbed wilderness. Titusville is the perfect getaway for Eco-adventurist to enjoy many nature activities at its best.

Don't forget to book your Turtle Watch in advance by contacting Laura Henning at laura_Henning@nps.gov or by calling the Canaveral National Seashore's office at 321-267-1110.
